Business for sale more than 15 years

ID 25870

Look for Corporate sales, firm sales, sales **Surface Technology, Electroplating**

We are looking for companies to buy in the field of surface technology with a focus on precious metal coatings (gold, palladium, silver, nickel and tin) for growth and technological expansion. The federal states of Bavaria, Baden-Württemberg, Hesse, Rhineland-Palatinate and Saarland are possible locations.

The buyer is itself an owner-managed, medium-sized and financially strong surface technology company in southern Germany.
