Bacher GbR

Hello everyone,
We are selling our food trailer with TOP equipment, a towing vehicle (Sprinter) and a motorhome that is also in the GBR and is very well utilized in rental.
The sale is due to health reasons on our part.
The trailer was used at large festivals in Bavaria.
On request, contracts with festival operators can be taken over, which are very lucrative, guarantee utilization throughout the year and can be reapplied for every year.
The top business conditions from our suppliers can also be taken over on request.
The food trailer: year of manufacture 2022, sales trailer Highclass series 520.20, "DANSTEP Highclass" series, double axle | Model: 2052,
TOP equipment with lots of accessories. You can get started right away.
The motorhome is a Pössl 2Win + panel van, year of manufacture 2021.
Very well rented and in very good condition. With homepage and registered in various rental portals.
The towing vehicle is a MB Sprinter van built in 2020.

If you are interested, there are of course pictures, information, descriptions, etc....

You are welcome to contact us for further questions or of course for a viewing of the food trailer and the other vehicles and for further detailed information.
