A webshop for textiles is sold in a niche market in the field of club clothing, including the main domain, the company logo, product images and customer base. The shop runs with the software of the company shopware as a free community edition and was launched in 2020. The structure is structured as follows: there is a main domain under which the clubs have their own free webshop. The members of the respective association can then shop there.

Gross sales:

2020: 2,965.08 EUR

2021: 3,551.21 EUR

2022: 6,901.60 EUR

2,394.35 EUR

2,234.41 EUR

Margin currently: approx. 30%, prices have not been changed since the beginning.

Customer base: approx. 360 customers from over 50 clubs.

The printing and logistics of the textiles are currently carried out by an external service provider, but there are no contractual obligations, so that the service provider can be changed without any problems.

The webshop still has a lot of potential, e.g.
