## **Premium Burger Branch**

Interested in a franchise with a Smash Burger concept?

The great burger passion is our recipe for success: handmade burgers with the best ingredients, fresh from the grill and juicy - just like a fresh burger should be.

In the products, you can still taste the passion that the founders have for really good burgers. For this reason, we attach particular importance to the origin of the ingredients and the correct preparation. With well thought-out recipes, short supply chains and suitable preparation methods, the beef is freshly minced and shaped by hand every day, rolls are baked and sauces are made according to their own recipe. This ensures freshness, taste and quality.

Do you want to open your own burger restaurant?

Then send us a non-binding partnership enquiry and we will get back to you as soon as possible.
