Online holiday home rental

Look for a successor for an online holiday home brokerage, who ideally has experience in the tourism sector or is already an entrepreneur and is looking for a second mainstay. Villas, country hotels and fincas are brokered by owners on the Balearic Islands. The owners pay a commission on mediation. The operation is location-independent and can be started immediately with a business registration. Good sales all year round, depending on the time spent. Services for the owner do not have to be provided. Prompt takeover desired.
