Look for Corporate participation, firm participation

Casino Casino Direct French Border

Current new project Gambling hall/casino Border proximity to France optimal location in the wide radius no competition is looking for a partner/investor.
The building permit/change of use is in the last instance, i.e. shortly before approval (last additional demand from the office is currently being submitted).
For this project I am looking for an investor / partner who wants to secure good earning opportunities. For more information, just get in touch.

Participation
Region 66, Germany
