Craft business SHK

Firmly anchored in the region for over 70 years, this traditional craft business is ready for succession. As a reliable partner for private, commercial and public customers, the company offers a comprehensive range of services in the areas of sanitation, heating, air conditioning and ventilation.

From tailor-made bathroom renovations to modern heating modernisations and innovative solutions for air conditioning and ventilation systems – this company is characterised by its versatile services and high customer satisfaction.

The location in the industrial area not only offers excellent transport connections, but also spacious, modern office, warehouse and exhibition space. The company is supported by an experienced team of qualified professionals who are reliably responsible for quality and continuity.
