Canteens & Vending Machines

Takeover/sale of business: canteen operation, vending machines, coffee and beverage vending machines, buffet service.

We operate school canteens on site with staff.

We produce snacks (rolls, breads) in our own company and pack them professionally for a longer shelf life.

We also operate coffee, cold drinks and vending machines.

We offer a buffet service and have our own organic biscuit brand.

We supply major customers with catering goods, with professional packaging and take care of logistics and delivery.

Turnover: approx. 1.7 million €
