Cosmetic Institute

For reasons of age, I am looking for a successor for my cosmetics institute, which I have been running for almost 25 years.

My focus is on high-quality treatments such as instrumental cosmetics and advice as well as product sales.

I have a good customer base, which I would like to hand over to a competent successor.

In addition to the complete equipment, I sell cosmetic equipment such as the mesoporotation, radiofrequency aquabration, oxygen, microneedling, Yavu iri pen and much more.

as well as first-class equipment in the reception room and treatment rooms.

The premises have three large shop windows. 2 treatment rooms and an office, plus a large reception and sales room.

And of course a modern guest toilet and cellar rooms. All rooms are nice and bright and have natural light and windows.

The treatment rooms are each fully equipped with water.
