

## Offer Corporate sales, firm sales, sales **Studio für Personal Training**

This offer is aimed at personal trainers, therapists or other service providers in the health sector who want to replace a well-running studio in . Furthermore, it is an interesting investment case for investors in the healthcare sector, a possible managing director would be ready.

Currently, as a sole proprietor, I am the owner of a trademark for personal training with a marginally employed licensee. I'm looking for a successor for the studio with or without a license concept, as my contract expires in 2025.

Attention. I deliberately call for a very fair price, because I urgently want to find a successor in order to know that the customers are seamlessly looked after and to secure my employee's job.
