

The big business marketplace

Business for sale more than 15 years

ID 26233

Look for Corporate participation, firm participation

Online trade

Are you looking for a worthwhile investment?

Do you want to conquer one of the largest markets?

We will soon start with a franchise (license) system, where the demand from franchisees is likely to be high.

Since there will be a large demand from customers, up to one million, their investment will pay for itself within a short period of time

You benefit from the licensees and the customers.

More information, after your letter
