Vending Machine Displays for Beverages, Tobacco Products & Snacks

For sale is an established vending machine company with a focus on the sale of beverages, snacks and tobacco products.

The business model is simple, efficient, and ideal for beginners or as an additional source of income.

Highlights:

Locations:

11 vending machines at 5 well-placed, highly frequented locations in the area

Assortment:

Beverages, snacks, tobacco products – flexibly expandable

Stable revenue:

Current Year to Date (last 12 months) approx. 130,000 € net

Easy to use:

No specialist knowledge required, minimal working time

Operation also possible with low personnel costs

Ongoing operations require only minimal staffing: one reliable mini-jobber is enough to efficiently take over all operational tasks.

(A mini-jobber with an hourly wage of €15/h and a monthly working time of 37 hours regularly still has free capacity – further locations could be opened up without additional staff.
