Two-wheeler dealer in Upper Bavaria with renowned brands and a large, long-standing customer base is looking for a successor as part of an age-related handover.

The product range is of very high quality and the wheels are individually adapted to the customer.

The highest sales volume is achieved through the sale of e-MTBs and e-bikes.

The bike shop with almost 650 square meters of sales space and sufficient parking spaces is located in the industrial park on the outskirts of a small town. The existing business property is not part of the operating company, but can be purchased or rented further.

Due to its good location with nearby supermarkets, the company is very present and is very well perceived by customers.

Thanks to its diverse product range and qualified, service-oriented employees, the company enjoys a very good reputation both regionally and nationally.
