Offer Liquidation, Operating dissolution

Trade in flowers and decorative items

Due to business closure, I would like to give up my store inventory. This is particularly interesting for new founders who want to open a flower shop and still need the necessary inventory.

I sell:

- POS system with receipt printer etc.
- Solid wooden shelves
- Lighting (Spots)
- Decorative items such as pots, vases, candles
- Work material, etc.

A viewing of the inventory is possible at any time by arrangement.
