

## Offer Corporate sales, firm sales, sales **Caretaker service**

I offer my established caretaker service in the Starnberg area for sale. The company has been in existence for over ten years and has successfully specialised in the support of condominium owners' associations (WEGs), which are mainly looked after by property management companies – they thus act as our direct clients.

So far, private customers have not been served, but new inquiries in this area are regularly received, which offers potential for business expansion.

The entire inventory of the company is sold, including vehicles, machines and equipment. This enables a seamless transition and immediate continuation of business operations without major investments. The company is completely debt-free.

Due to health reasons, a handover is planned for or.
