

The big business marketplace

Business for sale more than 15 years

ID 26421

Look for Corporate participation, firm participation

Temporary employment

We have been operating as a personnel service provider since 2024 and have the official permit for temporary employment, which has currently been extended until 2026.

For further expansion, we are looking for cooperation partners or investments in order to expand the business together and open up new market opportunities.

Interested? We look forward to hearing from you.
