Look for Corporate participation, firm participation

Trade-Analyst, Coder, Video-Cutter

I am looking for a business partner to create a company around trading/wealth building to help people in the process of becoming profitable. I offer you to become 50% shareholder. If you are interested, let me know and I will share all the details in a call with you. Skills I am happy if you have: Coding, Videoediting (for social media), Trading Fundamentals (I will introduce you into my strat - but if you have one yourself we can pair up to maximize output for customers)

I expect motivation and good work ethics.

I am from Austria, already have a basic website and next week I will travel to a very specific country set up the company - you can be from ANY country. Everything will work remote.

If you think you are a good fit I am happy to tell you more about the revenue, structure and strategy.
