

The big business marketplace

Business for sale more than 15 years

ID 26496

Offer Corporate sales, firm sales, sales

Austrian Company

We are offering a GmbH founded in 2023 for sale.

The company has not been used since its establishment; there have been neither revenues nor business activities. The advantage is that this is a completely 'neutral' company: apart from its incorporation, no activities have been carried out. All statutory duties have been duly paid, and there are no liabilities.

[Corporate sales](#)

Region 12, Austria

Entry in own name
