Premium butcher's shop with slaughterhouse

Premium butcher's shop with slaughterhouse, 2 wonderful apartments, with expansion and extension options, most beautiful Allgäu:

The Wirth country butcher's shop with an annual turnover of approx. € 1 million and its own slaughterhouse (with EU approval) produces fine sausage and meat products with Allgäu specialities that find buyers in the upper price segment.

The refinement of the regional meat according to our own recipes and production processes.

Quality-conscious regular customers from the surrounding area as well as up to 40% turnover with upscale tourist clientele lead to quality leadership in the region. The business model has been adapted to the changed framework conditions in recent years and geared towards the future.

The owner is looking for a succession plan due to his age.
