Hello everyone, ????

After careful consideration, we've decided to sell our cleaning company, including our loyal customer base, complete office setup, a brand-new Renault Master truck, and a vast array of professional cleaning equipment and products. ???????? Our professional website is also part of the package.

Our loyal clients include dental practices, gyms, offices, and stairwell cleaning services, generating a steady monthly income of around €20,000. ????. We also manage five locations for winter services from November to March, adding roughly €5,000 monthly. Additionally, one-off jobs bring in between €5,000 and €10,000. ????

Our services are delivered daily, weekly, and annually with comprehensive, open-ended service contracts that have a 3-month mutual notice period. All our clients have been with us for over three years and are satisfied with our work. ????

We're well-rated on Google with 61 five-star reviews, earning us an overall 4.8-star rating. ????? Our business has no debts with tax authorities or social security, and all matters have been diligently handled. ?

The asking price for our business, including clients, materials, website, company name, office setup, and vehicle, is €350,000. ????? A deposit of €50,000 is required for serious inquiries. We'll introduce you to all business processes and clients within two months for an informed decision.

If desired, we can stay on as part-time employees for a year, ensuring a step-by-step transition, guaranteeing a full return on your investment within 1.5 years. ????

Looking forward to your message, and we invite you to our office for an initial meeting and company presentation to see everything we offer. ????????
