36-year-old GmbH for sale

We are selling our GmbH after 36 years. As active in the aviation sector, we are absolutely debt-free and without a debt collection entry. There are no tax arrears and no obligations.

The buyer acquires a business area that can be expanded. Licenses and approvals can be transferred if necessary. Ideal for building an existence in an aviation environment. No real estate or employees have to be taken over.

An aircraft with HB certification can be taken over.
