Retail Business

A business with heart, history, and great potential is looking for its next owner ????. For sale is a well-established retail store specializing in health, nutrition, and lifestyle products, located in a high-traffic shopping center in the greater area (Northern Germany).

The store enjoys a prime position inside the center with excellent visibility, heavy footfall, and a loyal customer base built over many years.

Highlights:

- ? Successfully operating for more than 10 years – strong and loyal customer following
- ? Modern and attractive retail space (approx. 80 m²)
- ? Excellent location with strong daily traffic and potential for expansion or new concepts
- ? Fully equipped and ready to operate – can be continued immediately without interruption
- ? Option to take over with experienced staff
- ? Long-term lease in place – extension possible
- ? Perfect for newcomers or investors – full training and transition support will be provided
- ????
- ? Structured handover prepared, including supplier contacts, operating procedures, and customer management

Reason for sale:

The sale is due to family relocation abroad.

We are looking for a buyer who will continue the business with the same passion and care.

Monthly revenue: steady mid-five-figure range

Price: upon request

???? Entrepreneurs or investors with a passion for health and wellness are warmly invited to get in touch.

All further details and figures will be shared confidentially in a personal conversation.
