Digital advertising agency

We are looking for a strategic partner (preferably from AT) who wants to participate in a well-functioning full-service agency. Share transfer of up to 100%. We are also happy to receive inquiries from agency networks in the DACH region.

Details:

- Location: AT
- Number of employees: 11 employees
- Customer segment: B2B (approx. 50%), B2G (approx. 30%), B2C (approx. 20%)
- approx. 250 customers
- Turnover 2024: approx. 650,000 €
- Average EBIT (6-year average): approx. 16%
- Average increase in sales (6-year average): approx. 11%

Search for strategic partners:

We are looking for an entrepreneur who brings a strong network and is also willing to take over operational activities of the agency. A managing director can also be appointed. Additional employee participation not excluded.

Reason for assignment:

The company's managing directors want to concentrate on new entrepreneurial projects. The wish is that the agency with the same name will continue to exist.
