## **Sustainable Surf Business / Shaper Workshop / Online Shop /**

An established and steadily growing company in the sustainable surf industry, offering a rare combination of in-house eco board manufacturing, a strategically located surf shop in Northern Spain, and a well-performing international online store. The business serves a loyal and expanding customer base across Spain, Central and Northern Europe, driven by a strong demand for environmentally responsible surf equipment.

The company operates with a clear focus on high-quality craftsmanship, premium ecological materials, and a distinct sustainability philosophy that sets it apart in a market increasingly looking for greener alternatives. With streamlined production processes, a strong brand reputation, and established supply chains, the business is well positioned for continued growth.

Its location in a well-known surf region, paired with a solid online presence, creates diversified income streams and year-round stability. This is a turnkey opportunity for buyers seeking an authentic, future-oriented company with significant potential for scaling within the booming sustainable outdoor and surf sectors.
