

The big business marketplace

Business for sale more than 15 years

ID 26658

Offer Geschäftsidee, Geschäftsmodell

Online trade (non-regulated goods)

WH was founded in 2022 with the aim of becoming a leading brand in the field of smart household solutions.

Branding

Through data-driven market analyses, we identify products with high online scaling potential and thus create the basis for a growing brand portfolio within this niche.

Since our inception, we have sold over 45,000 products and achieved net sales of more than € 1.8 million.

Our claim: sustainable growth through quality, Consistency and targeted brand development.
