Offer Corporate follow-up, firm follow-up, follow-up

## **Metal processing**

Owner-managed turned parts manufacturer is looking for successors or buyers of the shares and the entire operating equipment. There are 6 CNC Swiss automatic lathes and 7 Okuma lathes in production, as well as all the necessary equipment to ensure secure production.

A long-standing customer base and recurring orders ensure stable capacity utilization.

The company serves many regular customers from the automotive, drive technology, fluid technology and mechanical engineering sectors.

The company building with a production area of over 950 square meters is rented.
