Turnkey Luxury Cosmetics Shopify Dropshipping Online Store

Turnkey Luxury Cosmetics Online Store – Premium Starter Business incl. Marketing Team

For sale is a high-end luxury cosmetics online store, fully set up and connected with verified suppliers.

A turnkey starter project built using the same business model and marketing structure as my main store, which generated over €500,000 revenue in a short period of time.

Product Range

Exclusive premium brands such as Valmont, Elemis, 3 Lab, Rejuvenated Collagen, Estée Lauder, Dermalogica, Erborian, Bali Body and more.

Average order value approx. €200, individual orders up to €2,000, with around 50% margin per sale.

Advantages

- High-spending premium customer base
- Strong profitability with approx. 50% gross margin
- Fully automated dropshipping business model
- Experienced marketing & promotion team included
- Scalable to €300,000+ annual revenue, significantly more with professional marketing
- Shipping from supplier warehouses in Europe and the USA

Special Benefit

All required initial supplier orders in the luxury segment were already placed with a value of over €15,000.

Direct access to existing supply and order structures – ready to operate immediately.

Included in the purchase price

- Fully functional Shopify online store with a large product assortment
- Integrated, verified suppliers
- Marketing team for ongoing support

Ideal for entrepreneurs and beginners who want to enter the premium e-commerce market quickly.

If interested, please send a message with your phone number.

I will be happy to show the marketing plan and real results from stores.
