

The big business marketplace

Business for sale more than 15 years

ID 26727

Offer Corporate sales, firm sales, sales

Online shop

For sale is a wholesale business with its own patented/trademarked production line in a niche market.

The family-owned company was founded in 1995 and has established itself in the market.

Currently, 100% of sales are generated through the online shop and long-standing EU customers.

Profit margins of up to 500% are possible.

Expansion potential through:

- Developing and expanding marketing

- Expanding the online offering

- Utilizing online platforms

- Entering further EU countries (labels are available in various languages)

- Global trade possible

- Developing and expanding the B2C segment

You will receive:

- Trademark rights

- Formulas

- Extended customer base

- Online shop

- Supplier relationships

- Expertise support

Further easily implementable revenue-boosting ideas tailored to the industry

Current time commitment: ~10 hours/week

Ideal for start-ups or expanding your existing product range

The company is location-independent
