Trading Company Services

Entrepreneurs / business partners wanted

I am looking for entrepreneurially minded partners who want to implement or expand a viable business model.

A suitable property already exists and is available for the implementation of the respective concept. The usable area covers several hundred to over 1,000 m² and offers correspondingly flexible possibilities.

They are looking for merchants, entrepreneurs or professional founders.

?

Possible orientations (examples)

- Trade

(e.g. special items, hunting / outdoor, online business with stationary relevance)

- Service

(e.g. insurance, leasing, financial services)

- Bless you

(e.g.
