Offer Commercial rental and leasing **Pizza Delivery Service**

Established pizza delivery service on Lake Constance

We currently have a particularly interesting property in our portfolio: a long-established pizza delivery service in an attractive city on Lake Constance. The company is firmly established on the market and offers excellent expansion opportunities.

The highlights at a glance:

Economic stability: The company generates a constant annual turnover of over 1 million euros.

Top infrastructure: The property is located in a well-frequented location in the city area and has its own parking areas for customers and delivery vehicles.

Versatile concept: The store is designed for maximum flexibility – pick-up and delivery as well as consumption are offered directly on site.

Safe continuation: This is a fully functional, ongoing business that is ready for takeover. The well-rehearsed staff can be taken over, which guarantees a seamless transition.
