Tanning salon

Opportunity. For sale is my tanning salon. Due to a short-term career change, I am putting the studio in good hands at the low price of 10,000 €. The studio is located in beautiful NRW between Dortmund and Münster. The studio has been in existence for over 20 years and is characterized by its long-standing regular customers and attracts customers from all over the world. A very large shop window area offers enough opportunities to put the studio with its benches in the right light. In the studio itself there are 7 benches. These are divided into 1 light bench, 2 medium benches, 2 medium benches, 1 strong bench and a deep tanner. (Ergoline, Soltron, Mega Sun). At the beginning of 2025, the studio got another renovation, where a new counter, new walls and the cabins were renovated from the inside. The current value of the sunbeds is about 32.
