Practice Gynecology

The sale/takeover is a practice takeover.

The company has manifested itself as a renowned specialist practice in the health-conscious sector for over 50 years, providing a professional service with a focus on patient care and advice. By integrating state-of-the-art medical technologies and proven treatment methods, the company has established itself as a leading institution in its region and benefits from an ever-growing patient base.

Gynecology = (Must be a specialized specialty & another doctor/other medical specialty possible.) MVZ would be possible with the approval of the Association of Statutory Health Insurance Physicians. Potential buyers are suitable if they go through the KV process of taking over the practice and the KV agrees to take over the KV seat.
