Asian convenience - gastronomy

Franchise partner wanted in this region.

Asian convenience store meets Asian experience gastronomy.

"Asian concepts are growing rapidly, ours is new in Germany. "

The concept:

A store that focuses on quick meals, a wide selection of snacks and drinks in a small space like a 7/11 in Asia.

The Asia Standard:

"Ready-to-eat" culture with hot water stations and microwaves. The store is the "Konbini" culture a "third place" for quick enjoyment.

Why it works:

Perfect for the modern, urban lifestyle. Extremely high customer frequency, many impulse purchases, short dwell time.

Retail Business:

Strong sales of high-speed Asian products, instant noodles, Asian snacks, beverages & sauces. The daily frequency generator for constant sales.

Gastronomy (Eat-In) Experience Gastronomy:

Without a full kitchen and cook. Customers prepare pasta themselves at the "Cooking Station". High margin through fresh toppings & add-ons.
