Established Späti in -Reudnitz for sale

I am looking for a motivated successor to take over my popular Späti in the lively district of -Reudnitz. Founded in , the store has become an integral part of the neighborhood.

Due to personal circumstances, I am retiring from retail, as I can no longer give the business the attention it deserves. Buyers with business knowledge would be ideal, the late shop is also ideal as a learning project for career changers.

This opportunity offers not only the takeover of a well-established business, but also the chance to contribute your own ideas and develop the store further.

The Späti enjoys a loyal customer base. Our range is versatile and appeals to residents of all ages, including pensioners, professionals, students and pupils.
