Water Sports Center / Surf / Sail / Kite / Wing) Lake Garda

Imagine being able to work every day where others go on holiday – by the water, in the sun, surrounded by people who are just as enthusiastic as you are. And all this without great risk, without years of professional experience and with a clear, proven concept that accompanies you step by step.

That's exactly what this opportunity offers you.

You don't need any professional skills, no years of experience and no big risk. What counts is your enthusiasm for water sports, your enjoyment of dealing with people and the desire to build something of your own. With a proven concept, clear processes and strong support in the background, you can start immediately - safely, structured and with a manageable investment.

Lake Garda is a magnet for water sports fans from all over Europe. Surfing, sailing, kiting, wing – beginners and advanced skiers alike will find perfect conditions here.
