Offer Corporate follow-up, firm follow-up, follow-up

Office services

Company Profile

For sale is a sole proprietorship established since in the field of writing service / transcription services specializing in medical reports.

The company is managed completely digitally and regardless of location. The customer base consists mainly of long-standing clients, approx. 75% of whom are from Switzerland. The focus of the service is on linguistically precise, terminologically correct and formally structured documents in the field of medical reports. In addition to transcription, the work includes quality-assured finishing with increased requirements for accuracy and reliability.

-

Business model and processes

The workflows are largely digitalized:

- AI-powered audio file pre-processing
- Automated error correction
- Multi-level quality control
