Music school

A music school in Cologne that has been successfully run since 1990 is for sale. The school is excellently established, economically stable and enjoys an excellent reputation in the region.

Key data:

14 qualified and committed teachers

approx. 300 active students

Long-standing, grown structures

Two cooperations with daycare centers

A cooperation with a primary school

Wide range of lessons for children, teenagers and adults

The music school has a loyal customer base, experienced staff and proven organisational processes. It is ideal for music educators, investors or educational institutions who want to take over an established institution with great development potential.

A structured handover and induction is possible on request.

Further information on request.
