Textile Compnay

Established women's hosiery manufacturing company (founded in 1991) is offered for sale with all tangible and intangible assets included. The factory has a monthly production capacity of approx. 500,000 pieces and operates from a 2,550 m² site with two production buildings (683.29 m² and 118 m²).

The company maintains an active partner network, including three leading retail chains among Hungary's Top 10, a wholesale partner in Malta, a wholesale partner in Romania, as well as additional Hungarian retail clients.

The facility was fully renovated in 2023 and features modern, energy-efficient systems: 15 cm building insulation, triple-glazed uPVC windows, triple-layer aluminium doors, GREE inverter heat pump, and rooftop solar panels.

A turnkey, scalable manufacturing opportunity, ideal for strategic buyers or investors.
