Offer Corporate sales, firm sales, sales **Travel agency**

Looking for a successor for a travel agency

For health reasons, I would like to sell my travel agency in a top location. We are located in a shopping centre with free parking and lots of walk-ins in a area with a lot of growth potential.

Our many regular customers appreciate the advice and the in-depth expertise from my experienced employee, who manages the office with a lot of commitment and is looking forward to further development.
