Look for Corporate co-operation, firm cooperation

Leak detection and sampling asbestos

We are a company that is active in the field of in-building, out-of-building leak detection and flat roof leak detection. We have been active in this field for more than 15 years and are looking for cooperation partners from the insurance sector, property management companies and HVAC specialist companies who want to expand their portfolio or eliminate a vacancy.

We act quickly and well.

We are already looking forward to interesting and serious addresses.
