Offer Corporate follow-up, firm follow-up, follow-up **Car repair shop and tuning**

Offered as a business succession opportunity: a fully equipped automotive repair shop and tuning company. Prime location directly next to the A9 motorway exit (midway between Munich and Nuremberg, near Ingolstadt/Audi AG) and directly opposite an Aral petrol station. Included are vehicle lifts, tools and specialized equipment, three different tuning tools with accessories and adapters, a Bosch tire mounting machine (up to 33"), a state-of-the-art laser tire diagnostic and balancing system, a paint booth, existing partnerships (offering excellent purchasing prices), an established customer base, and much more. The 460 m² facility also features ample parking, a showroom, three large doors, and sufficient ceiling height for buses, trucks, and motorhomes. Low/cost-effective monthly rent. Viewings by appointment. Tuning training is available.
