Landscaping fence trade

sell a landscaping online store to a successor who can identify with the topic of fence, gate and installation. A fence fitter without an online shop or a tradesperson with technical understanding would be excellently suited. Annual sales through sales and commissions approx. 37,000 euros. The gardening season has already started and garden fences and gates are needed. An intensive induction is given. The products are versatile and the supplier has a wide range and good dealer margins.
