Taxi companies

Company offer
For sale is a long-established taxi and rental car company in the Nuremberg / area with a stable demand base, modern vehicle fleet and well-rehearsed employee structure.
The company has been active in the market for many years and has a functioning operational structure. A significant part of the turnover is generated by regularly recurring trips, in particular ambulance trips and existing contractual relationships. As a result, there is an above-average predictable earnings and capacity utilisation situation.
