## **Retail sale of textiles**

Attractive, established retail business for sale in a very good, central location. The shop has well-maintained, modern equipment and is fully furnished, so that an immediate start is possible without additional investment.

The sales area is complemented by practical ancillary rooms and offers enough space for an attractive presentation of goods. Large shop window areas ensure high visibility and support an effective presentation of the assortment.

The location is characterized by good footfall and convenient accessibility with nearby parking facilities. Over the years, a loyal customer base has been built, which provides a solid foundation for a successful continuation.

The existing concept is proven and can be adopted directly or flexibly adapted to your own ideas.
