## Look for Commercial rental and leasing

### **Go kart track**

Experienced managing director is looking for kart track / leisure business for lease or hire purchase (Lower Saxony / Northern Germany)

Advertisement text:

Experienced managing director with extensive experience in the development and economic development of service and operating structures is looking for an existing kart track or a comparable leisure business for lease, hire purchase or with the prospect of later takeover.

The company is looking for ongoing operations in the area of Lower Saxony, Bremen or neighbouring regions, preferably with existing infrastructure and development potential.

The focus is on the sustainable development of the company, in particular through:

- Expansion of the event business (corporate customers, group bookings)
- Optimization of operational processes
- Economic stabilisation and growth

A serious, structured and discreet cooperation is expressly assured.
