

The big business marketplace

Business for sale more than 15 years

ID 26995

Offer Corporate follow-up, firm follow-up, follow-up **Motorcycle Workshop Business**

Two-wheeler workshop business with comprehensive workshop equipment for maintenance, repair, and service work on motorcycles and scooters.

The equipment includes, among other items:

Three motorcycle lifting platforms

Tire mounting machine and wheel balancing machine for motorcycle and car tires

Drill press

Various diagnostic cables from Gutmann and several smaller diagnostic devices

Flywheel pullers in different sizes

Tool trolleys

Extensive tools and special tools including wrenches, socket sets, and assorted fasteners

Additional workshop equipment includes:

Stainless steel tables

Workbenches

Vices

Bench grinder

Headlight alignment device

Exhaust extraction system with two connections

Air extraction system for indoor areas

Heavy-duty metal partition walls and storage systems

The storage area contains various wear parts for service and maintenance work.

A large sea container is also included in the offer, providing additional storage space for materials and equipment.

The sales area is equipped with:

Display stands for lubricants and operating fluids

Slatwall panels for presenting clothing and accessories

Helmet racks

Seating group from a well-known oil manufacturer

Glass display cabinets

Motorcycle clothing and accessory stock is also included in the offer.

The business is located in a rented building in a prime location directly at a motorway exit, ensuring excellent visibility and accessibility.

A sale of the complete contents is possible, as well as the continuation of the ongoing business, including the takeover of a large existing customer base.

This offer is particularly suitable for start-ups or for expanding an existing motorcycle workshop business.
