Offer Corporate sales, firm sales, sales **Personal Training Gym**

Established personal training studio in a prime location in – specialized in “fit & pain-free” training with a neuro-centric approach.

The studio currently serves 48 active clients, generates monthly revenues of €14,000–19,000, holds excellent Google reviews, and enjoys strong local brand recognition.

The high-quality 195 m² space includes an inviting foyer, modern training areas, a tea kitchen, and professionally cleaned sanitary facilities. All equipment can be taken over in full.

The location is ideal: A radiology practice is located in the same building, bringing a steady flow of pain patients past the studio every day – including a large advertising space in the foyer. Parking spaces are rented as well.

The sale is possible in two flexible formats:

as an existing franchise studio with system, brand, and processes

without franchise affiliation, e.g., as a personal training studio, physiotherapy practice, or health studio

A turnkey, profitable studio with a stable client base and immediate growth potential.
