Temporary care

Temporary Employment "Medical Personnel Service Provider (A" until 2026) "debt-free " North Rhine-Westphalia

Company Description

The company offered is an established personnel service provider in the medical sector based in North Rhine-Westphalia (D¼sseldorf area). For several years, the company has been reliably supporting clinics, hospitals and care facilities with qualified nurses and assistants.

The company has a valid temporary employment permit (first issued in 2023, extended until 2026), a well-rehearsed employee base and stable customer relationships. The GmbH is completely debt-free and can be taken over and continued immediately.

The existing structure and market position offers an attractive opportunity for investors, entrepreneurs or existing personnel service providers who want to enter the medical market at short notice or expand their portfolio.
