Look for Corporate follow-up, firm follow-up, follow-up **Transport, logistics, freight forwarding, waste management**

We are a private, financially strong investor with an operational background and are looking for an established transport and logistics company for a complete takeover (100% of the shares) in the course of a succession plan or a strategic acquisition. The long-term continuation of operations, the preservation of jobs and the brand are our priorities. Our search criteria – What you bring with you:

Core competence: Demonstrable specialisation in the transport of dangerous goods in accordance with ADR (ideally tank, general cargo or disposal logistics).

Vehicle fleet: Existing, operational fleet (owned or leased) including the necessary ADR certifications and equipment.

Licenses: Valid EU license (road haulage permit) and ideally an existing (internal or external) dangerous goods safety advisor / traffic manager.
