Car wash / car wash / self-service car wash

I am looking for an existing car wash, a car wash or a self-service car wash to take over.

Alternatively, suitable commercial properties that are suitable for the construction of a car wash park can also be considered – preferably in a busy location with good visibility and easy access.

Search region: and greater area (also surrounding area)

Interesting are:

- Ongoing operations
- Plants in need of optimisation or investment
- Leased properties
- Properties with or without an existing permit
